### ***Faith, family, fellowship, and friends***

*In this season we're grateful to be celebrating 50 years of loving marriage filled with hosts of adventures serving our growing family, church, and broader community. While remembering the past with fondness, we continue to look forward with faith, hope, and love to many more joyful years together as we journey between here and the coming time when we will be with our Savior and Lord's heavenly family forever! Love you all, Susan ([harpsongs.com](http://harpsongs.com)) & Bill ([wmorehouse.com](http://wmorehouse.com))*
