Student Scholarships

If you are a health profession student or resident and you need financial assistance to attend the conference, you may apply for a scholarship. Assistance is available on an as-needed basis for registration, lodging and travel. Simply fill out the Registration Form. It will guide you through the process. You'll have a personal response from our offices within just a few days.

Scholarship funds are generously provided by CCHF sponsoring clinics. We want you here! If you will make the sacrifices necessary in your schedule, we won't allow finances to be an obstacle.

Questions or want to network about travel and accommodation arrangements?
